

Until one is committed, there is hesitancy
the chance to draw back, always ineffectiveness.
Concerning all acts of initiative (and creation),
there is one elementary truth the ignorance of
which kills countless ideas and splendid plans:

that the moment one definitely commits
oneself, then Providence moves too.

All sorts of things occur to help one that
would never otherwise have occurred. A whole
stream of events issues from the decision, raising
in one's favor all manner of unforeseen incidents
and meetings and material assistance, which
no man could have dreamed would have come his way.

Whatever you can do, or dream you can,
begin it. Boldness has genius, power and
magic in it.

Begin it now.
